

List of Identified uses for Nickel Chloride - Update 2011

use number	Identified use	Sector of Use	Preparation Category	Process category (PROC)	Article category (AC)	Environmental Release Category (ERC) or SPERC
1	Metal surface treatment – nickel electroplating, nickel electroforming and electroless nickel plating	SU:3	PC 19	PROC: 8a, 8b, 13, 15, 0		ERC: 5
2	Use of nickel chloride for production of nickel hydroxycarbonate	SU: 3, 8, 9	PC 19	PROC: 8b, 2, 0		ERC: 6a
3	Use of nickel chloride for the production of nickel metal - Electrolytic refining of nickel matte via a nickel chloride solution (Hydrometallurgical process)	SU: 14	PC 19	PROC: 2, 3, 22, 0		ERC 6a
