Nickel sulfide

EINECS No. 240-841-2 CAS No. 16812-54-7

The purpose of the **Pre-SIEF** is for REACH Pre-Registrants to agree on **sameness** of substance.

Pre-Registrants that can agree that they have the same substance will then pass into the Substance Information Exchange Forum (SIEF) for this substance, where the data-sharing dialogue begins.

Pre-Registrants that consider they do not have the same substance will be grouped together by the Pre-SIEF Facilitator for further discussion and potential entry into sub-SIEFs or another SIEF.

Please check that your pre-registered substance matches with the following description:

CAS No.:	16812-54-7
EINECS No.:	240-841-2
IUPAC Name:	Nickel sulphide
Synonyms:	Nickel (II) sulfide
Molecular formula:	NiS
Structural formula:	S^{2-} Ni^{2+}
Molecular weight:	90.759

You will shortly receive an E-mail for you to take part in the '**Substance Sameness Survey**'. Your response to that survey will be your participation in the Pre-SIEF 'sameness' discussion.
